[1](#)1. (C) In a February 20 meeting with Mirza Afzal Mahmood, MFA Director of the European Division, PolOff drew on Ref A points to explain the U.S. decision to recognize Kosovo as an independent state. PolOff asked if Pakistan was considering recognizing Kosovo's independence, noting the MFA had released a public statement February 19 stating Pakistan understood and supported the legitimate aspirations of the Kosovars. Mahmood confirmed Pakistan was sympathetic to Kosovo on this issue and has taken note of the OIC's support, as well as that of other Muslim countries, but wants more time to consult before taking an official decision. Mahmood observed that the situation of Kosovo was similar to that of Kashmir, and said, in principle, Pakistan felt such regions had a right to self-determination.
